

# List of grant funders for churches

This list has been assembled by researching and cross-checking multiple lists of funds that are currently available. All funders on this list are open to churches.

Each entry on the list contains key information such as the funder's interests, contact information and details of how to apply. The funder's website is included; we recommend that you visit their website before making an application. Most funders have a list of Frequently Asked Questions (FAQs) to help you to complete their application forms online.

This list is organised by region to help you find relevant funds for your church.

There is also a specific category to find grants for Historic Places of Worship. For further guidance on grants for conservation and listed buildings, visit the Methodist Council's resource page, available at: [www.methodist.org.uk/for-churches/property/conservation-listed-buildings/news-funding-and-training/](http://www.methodist.org.uk/for-churches/property/conservation-listed-buildings/news-funding-and-training/)
